

Print on card stock at actual size. Do not scale. Confirm pattern printed 4" from GasPod tip to next GasPod tip.

Cut pattern out along lines as shown

Install 1st GasPod

Bulb shape to front. Pointy tip to rear

Place pattern 1 over 1st installed GasPod

Place 2nd and 3rd GasPod in pattern placements 2 and 3

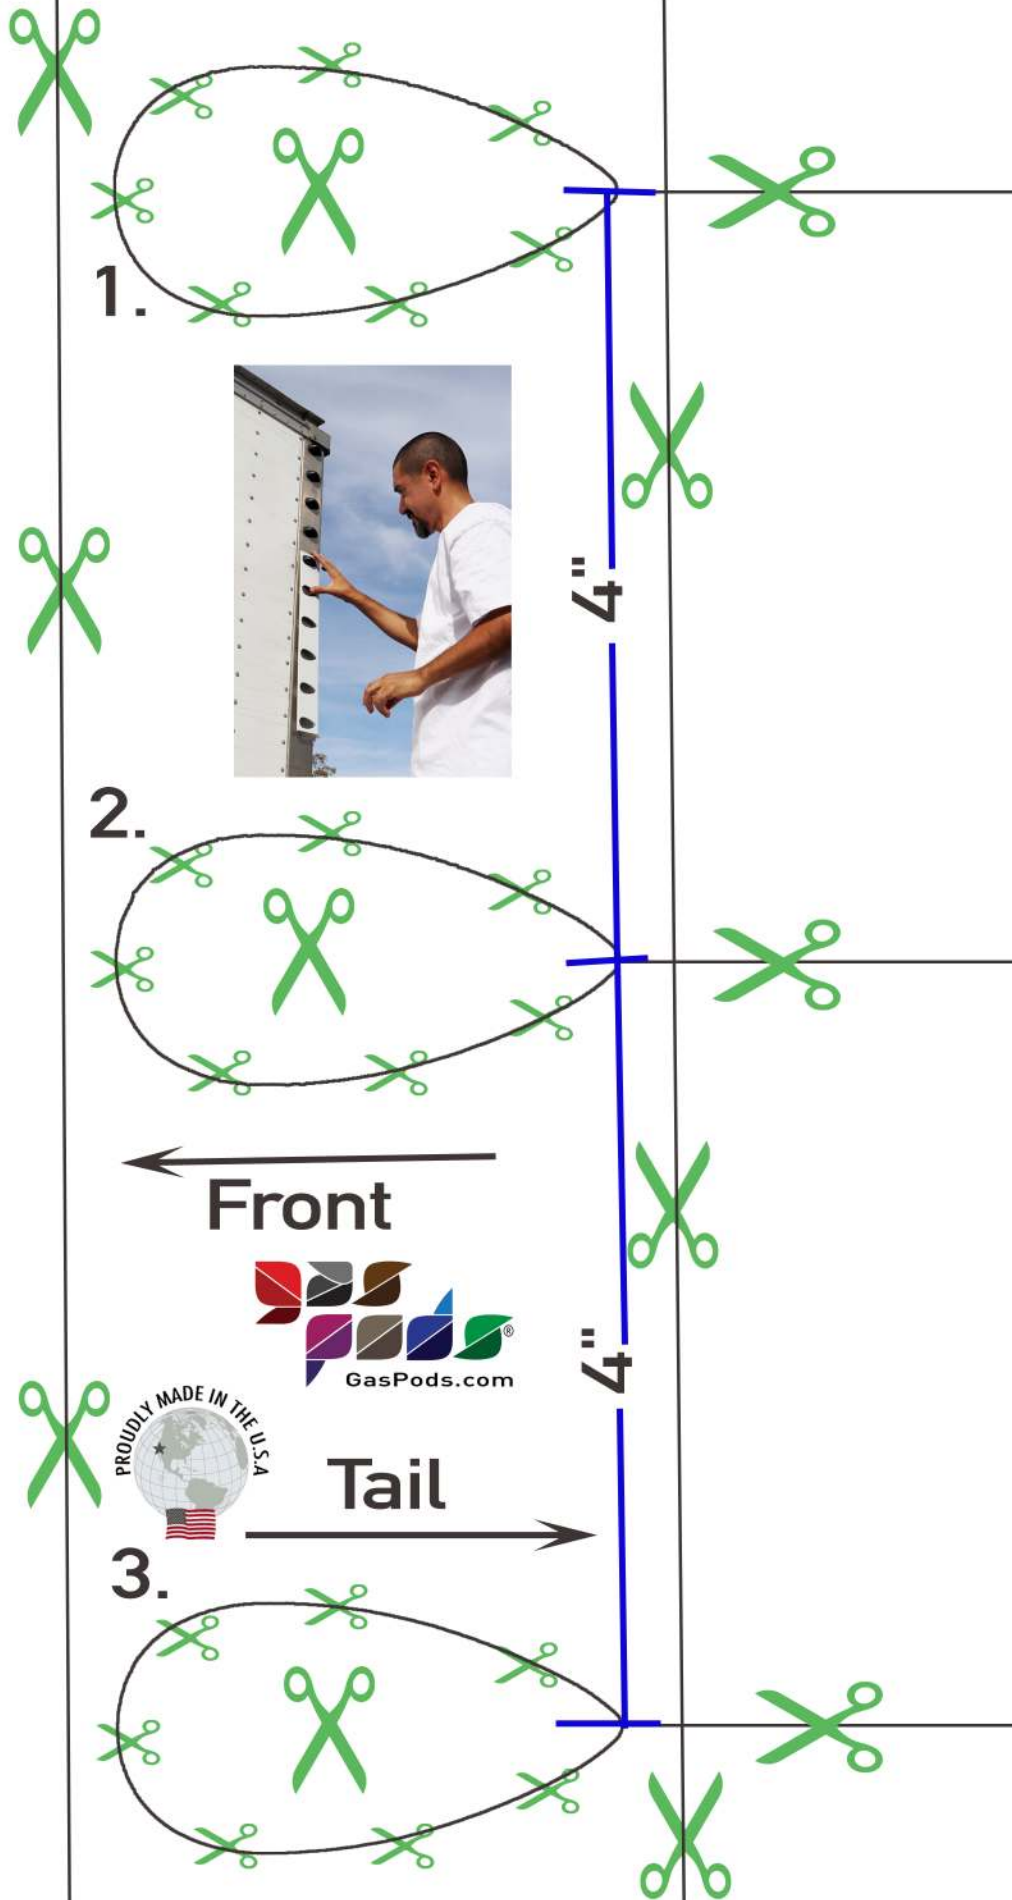

Remove pattern and place pattern 1 over GasPod 3

Install GasPod 4 and 5 in pattern 2 and 3

Repeat by placing Pattern 1 over last installed GasPod, then placing next 2 in Pattern 2 and 3 until all GasPods are installed.
